The graphic features a stack of prompt cards with various tasks such as 'Write a cold email that actually gets replies', 'Brainstorm 10 product names for eco-friendly sneakers', and 'Turn this bullet list into a LinkedIn post'. A purple circle with the number '50' is visible on the top card. The background is a light purple grid with a circuit-like pattern on the right side.

Ten Prompt Templates for Creating Gumroad Products

1. Idea validation

Act as a digital product researcher. List 10 micro-digital products (under \$20) in the [niche] that solve a specific, painful problem. For each, include a 1-sentence sales angle and why someone would buy it today.

2. Product outline

Create a 10-chapter outline for a PDF guide titled "[Your Product Name]". Each chapter must solve one specific sub-problem. Include a "quick win" action step at the end of every chapter.

3. Landing page headline

Write 15 landing page headlines for a Gumroad product that helps [target audience] achieve [desired outcome]. Use curiosity, social proof, and fear of missing out.

4. Sales copy (Problem-Agitation-Solution)

Write PAS copy for a [type of product] that solves [problem]. First, state the problem. Second, agitate the pain with 3 specific consequences. Third, reveal the product as the only simple fix.

5. Pricing page psychology

Draft a Gumroad pricing section for 3 tiers (\$9, \$19, \$49). Name each tier, list 5 bullet benefits per tier, and explain why the middle tier should look like the "best value".

6. Bonus stack

Generate 5 low-effort, high-perceived-value bonuses for a [niche] digital product. Examples: checklist, swipe file, template, video walkthrough, community access.

7. FAQ to overcome objections

Write 8 FAQs for a Gumroad product in [niche]. Focus on objections: "Why not free?", "Will this work for a beginner?", "Refund policy?", "How soon will I see results?"

8. Email sequence for launch

Create a 5-day email launch sequence for a \$[price] Gumroad product. Day 1: problem. Day 2: story. Day 3: solution. Day 4: social proof. Day 5: cart closing urgency.

9. Thank you page + upsell

Draft a thank you page for after purchase. Include: download instructions, 1 immediate action step, and an irresistible upsell offer (related product at 50% off).

10. Refund policy that builds trust

Write a 7-day "no questions asked" refund policy for a digital

download. Tone: confident, helpful, and honest. Include a line that actually discourages frivolous refunds.
